**BEWARE**

**DON'T BE A VICTIM OF A SCAM**

Scammers target everyone, regardless of age, gender, education or income level.

Scams cost individuals a great deal of money and cause a lot of distress.

Scammers use letters, post cards, social media, telephone calls, text messages, emails, instant messaging apps to lure victims.

Scammers would give a variety of reasons and would lie to convince their victims that they are genuine.
